SPECIAL BUSINESS:

7. To consider, and if thought fit, to pass, with or without modification(s), the following Resolution as a Special Resolution:

Reclassification and Increase of Authorised Capital

"RESOLVED THAT pursuant to the provisions of Section 16, 31 and other applicable provisions, if any, of the Companies Act, 1956, the Authorised Share Capital of the Company be and is hereby reclassified into equity shares only and be increased to 4,00,00,000 (Four crores only) equity shares of Rs.10/-(Rupees ten only) each and to amend the Clause V (a) of the Memorandum of Association and Article 7(a) of the Articles of Association of the Company."

FURTHER RESOLVED THAT the Memorandum and Articles of association of the company be suitably altered as follows:

A. Substitution of Clause V(a) of Memorandum of Association

"RESOLVED THAT pursuant to the provisions of Section 16 and other applicable provisions, if any, of the Companies Act, 1956 the existing Clause V(a) of the Memorandum of Association of the Company be and is hereby substituted with the following Clause:

V(a) The Authorised Share Capital of the Company is Rs.40,00,00,000/- (Rupees Forty crores only) divided into 4,00,00,000 (Four crores only) equity shares of Rs.10/-(Rupees ten only) each of the Company.

B. Substitution of Article 7(a) of Articles of Association

"**RESOLVED THAT** pursuant to the provisions of Section 31 and other applicable provisions, if any, of the Companies Act, 1956 Article 7(a) of Articles of Association of the Company be substituted with the following Article:

7(a) The Authorised Share Capital of the Company is Rs.40,00,00,000/- (Rupees Forty crores only) divided into 4,00,00,000 (Four crores only) equity shares of Rs.10/-(Rupees ten only) each of the Company.

8. To consider and if thought fit, to pass with or without modification(s) the following resolution as a Special Resolution:

Issue of further shares/ securities

"**RESOLVED THAT** pursuant to the provisions of Section 81(1A) and all other applicable provisions, if any, of the Companies Act, 1956 and any other laws, rules and regulations (including any amendments thereto or re-enactments thereof for the time being in force) as may be applicable and subject to the provisions of the Memorandum and Articles of Association of the Company and subject to such approvals, consents, permissions and sanctions of such statutory, Government and/or regulatory authorities / agencies, including the Stock Exchanges either in India or abroad, SEBI, RBI, etc. and subject to such conditions and modifications, if any, as may be prescribed by any of them in granting such approvals, consents, permissions and sanctions which may be agreed to by the Board of Directors of the Company (the 'Board' which term shall include any Committee which the Board of Directors may have constituted or may hereafter constitute for the time being for exercising the powers conferred on the Board of Directors by this Resolution) and pursuant to various provisions of SEBI including but not limited to Qualified Institutions Placement ("QIP") provisions mentioned in Chapter VIII of the SEBI (Issue of Capital & Disclosure requirements) Regulations 2009, the consent of the members be and is hereby accorded to the Board to create, offer, issue and allot in one or more placements/tranches to QIB's or otherwise as defined in the regulations, equity shares and/or fully convertible debentures and/or partly convertible debentures and/or non-convertible debentures with warrants, and/or any securities (other than warrants), Foreign Currency Convertible Bonds (FCCBs), which are convertible into or exchangeable with equity shares at a later date not exceeding 50,00,000 (fifty lakh equity shares) equity shares of face value of Rs.10/- each at such time or times as the Board may hereafter decide and at a price to be determined by the Board in accordance with the relevant Regulations, provided however that it is in compliance with the requirement of minimum public shareholding specified in the listing agreement.

RESOLVED FURTHER THAT a minimum of 10% of the Securities issued pursuant to said guidelines shall be allotted to mutual funds and if no mutual fund is agreeable to take up the minimum portion or any part thereof, then such minimum portion or part thereof may be allotted to other QIB(s) or otherwise;

RESOLVED FURTHER THAT the "relevant date" for pricing of the Securities, under the Regulations of the SEBI, in case of allotment of equity shares, will be the date of board meeting in which the Board decides to open the proposed issue and in case of issue of convertible securities it will be the date of board meeting in which it decides to open the proposed issue of such convertible Securities.

RESOLVED FURTHER THAT the tenure of the conversion/ exchange of such eligible securities shall occur not later than 60 (sixty) months from date of allotment of the Securities;

RESOLVED FURTHER THAT the Board be and is hereby authorized as mentioned in the first para of this Resolution to appoint and enter into and execute all such arrangements/ agreements, as the case may be, with any Investment /Merchant Banker/ Advisor(s)/ Registrars, and all such agencies/ intermediaries as may be required including payment to such agencies/intermediaries of commission, brokerage, fees, remuneration for their services and expenses etc. incurred in relation to the issue of Securities and to finalise the Placement Document and also to seek listing of such Securities on the Stock Exchanges either in India or abroad;

RESOLVED FURTHER THAT the Board be and is hereby authorized to finalise the mode and the terms of issue of Securities under the QIP or otherwise and all equity shares allotted under or arising from such QIP or otherwise will rank pari passu in all respects with the existing equity shares of the Company;

RESOLVED FURTHER THAT for the purpose of giving effect to the above resolution, the Board be and is hereby authorized to do all such acts, deeds, matters, things and execute, documents, instruments and writings as it may in its absolute discretion deems fit and necessary thereto with a power to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of Securities and utilization of proceeds;

RESOLVED FURTHER THAT the Board be and is hereby authorised to delegate all or any of the powers herein conferred to any Director(s), Company Secretary and/or other officer (s) of the company to give effect to the aforesaid resolution."

RESOLVED FURTHER THAT, the Board be and is hereby authorised to do all such acts, deeds, matters and things as it may deem fit, necessary and delegate to any Director(s) or any other Officer(s) of the Company for obtaining necessary permissions and approvals, if any, in this connection."

9. To consider and if thought fit, to pass, with or without modification(s) the following resolution as a Special Resolution:

Increase of Remuneration to Dr.P.Bhaskara Narayana, Director & Chief Financial Officer

"**RESOLVED THAT** pursuant to the provisions of Sections 198, 269, 309, 310, 311, 314 and, Schedule XIII, and other applicable provisions, if any, of the Companies Act, 1956 (including any statutory modifications or re-enactment thereof, for the time being in force) and subject to such sanctions, approvals and other necessary permissions as may be necessary from the Government of India, approval of the Company be and is hereby accorded for increasing the remuneration payable to Dr. P. Bhaskara Narayana Director & Chief Financial Officer (CFO) in the wholetime employment of the Company for a period of 2 years from 1st April, 2013 to 31st March, 2015 as detailed below:

- a. Salary not exceeding Rs.36,00,000/- (Rupees Thirty six lakhs only) per annum including dearness and other allowances.
- b. Perquisites:

EXPLANATORY STATEMENT

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 173(2) OF THE COMPANIES ACT, 1956.

ITEM NO 7

The present authorised share capital of the Company is Rs.35,00,00,000/- (Rupees Thirty five Crores) divided into 3,20,00,000 (Three Crore twenty Lakhs only) Equity shares of Rs.10/- (Rupees Ten only) each and 30,00,000 (Thirty lakhs only) preference shares of Rs.10/- (Rupees Ten only) each as per clause V(a) of Memorandum of Association and Article 7(a) of the Articles of Association, with the power to the Board to convert the unissued Preference shares into equity shares and vice versa.

Board recommends to re-classify the Authorised Capital to consist of only equity shares and also to increase the Authorised capital of the Company from 3,50,00,000 equity shares of Rs.10/ each to into 4,00,00,000 (Four crores only) equity shares of Rs.10/-(Rupees ten only) each.

The company is planning to augment more funds by issuing further equity shares. Infusion of capital from time to time is required for business growth as well as from prudence point of view. It ensures that healthy Capital Adequacy and Debt Equity Ratio is maintained and enhances the borrowing capacity.

For this purpose it is required to amend the Clause V (a) of the Memorandum of Association and Article 7(a) of the Articles of Association of the Company.

So your Board recommends the special resolution to increase the authorised capital to 4,00,00,000 (four crores) of Rs. 10/- each aggregated to Rs.40,00,00,000/- (Rupees Forty Crores only).

None of the Directors of the Company is in any way, concerned or interested in the said Resolution.

Item no. 8:

The Company, in order to enhance its global competitiveness and increase the ability to compete with peer groups in domestic and international markets need to strengthen its financial position by augmenting long-term resources at optimal costs. The Company may need to issue securities in domestic and international markets as contemplated in the resolution and as may be decided by the Board and found to be expedient and in the best interest of the Company. The Company may raise funds by issue of Shares / eligible securities, which shall be converted into equity shares at a later date, not exceeding 50,00,000 equity shares of face value of Rs.10 each by one or more sources, in one or more tranches, including, Qualified Institutional Placements, public issues and offering of securities in domestic / international markets . Foreign Currency Convertible Bonds (FCCBs), and/or fully convertible debentures and/or partly convertible debentures and/or non-convertible debentures with warrants, and/or any securities, which FCCB holders are convertible into or exchangeable with equity shares at a later date to Qualified Institutional Buyers/ FCCB holders or others as specified in the SEBI (Issue of Capital & Disclosure requirements) Regulations 2009.

Approval of the shareholders should be obtained under section 81(1A) of the Companies Act, 1956 for issuing securities to persons other than shareholders of the company. The Board, in consultation with its Investment / Merchant Banker(s) and other advisor(s) will decide on the price and timing of the proposed issue and finalise the placement document which inter alia shall be placed on the website of Bombay Stock Exchange Limited and National Stock Exchange of India Limited in accordance with the SEBI (Issue of Capital & Disclosure requirements) Regulations, 2009. The Company should ensure that the requirement of minimum public shareholding as specified as per the listing agreement is adhered to even after the issue of QIPs or otherwise.

Allotment shall be completed within a period of twelve months from the date of passing of the Special Resolution.

For reasons aforesaid, an enabling resolution is proposed to be passed to give adequate flexibility and discretion to the Board to finalise the timing, pricing and terms and conditions of the issue.

The Board of Directors accordingly recommends the Special Resolution for approval of the Members.

None of the Directors is, in anyway concerned or interested in this resolution except as a member of the Company.

Item no.9:

Dr. P. Bhaskara Narayana, Director & CFO is associated with the Company for over a decade is taking care of the functional operations of the Company including but not limited to Finance, Accounts and Secretarial.

In view of the manifold increase in his job responsibilities and taking into industry standards, the Remuneration Committee recommended to the Board for increasing the remuneration of Dr. P. Bhaskara Narayana subject to the approval of members from Rs. 32,00,000/- (Rupees thirty two lakhs only) to Rs.36,00,000/- (Rupees thirty six lakhs only) per annum for a period of 2 years from 1st April, 2013 to 31st March, 2015.

Except Dr.P. Bhaskara Narayana, no other director, is deemed to be interested or concerned in the re-appointment and remuneration payable to Dr. P. Bhaskara Narayana as a Director & CFO in whole-time employment.

The Board accordingly recommends the resolution as set out in Item 9 of the Notice for approval of the members.

Item no. 10:

Dr.AKS Bhujanga Rao, President (R&D and Technical) is associated with the Company for over a decade is taking care of the technical and also looking after the Patent related issues of the Company.

In view of the manifold increase in his job responsibilities and taking into industry standards, the Remuneration Committee recommended to the Board for increasing the remuneration of Dr.AKS Bhujanga Rao subject to the approval of members from Rs.32,00,000/- (Rupees thirty two lakhs only) to Rs.36,00,000/- (Rupees thirty six lakhs only) per annum for a period of 2 years from 1st April, 2013 to 31st March, 2015.

Except Dr.A.K.S. Bhujanga Rao, no other director, is deemed to be interested or concerned in the re-appointment and remuneration payable to Dr.AKS Bhujanga Rao as a President (R&D and Technical) in whole-time employment.

The Board accordingly recommends the resolution as set out in Item 10 of the Notice for approval of the members.

By order of the Board

Important Communication to Members

The Ministry of Corporate Affairs has taken a "Green initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice / documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to intimate their e-mail addresses to the Company / Registrars and Transfer Agents M/s. Venture Capital & Corporate Investments Limited.

DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS

To the Members

Your Directors are pleased to present the 30th Annual Report together with the audited accounts of the Company for the year ended on 31st March, 2013.

Operating Results:

You will be pleased to note that during the year under review, the API division exhibited an exemplary performance, establishing new records in revenues, which have grown by an aggregate of 51% over that of the previous year. The

revenues from this division recorded Rs. 223 Crores (2011-12 :Rs. 148 Crores). This division continues to roll out good performance, thanks to our entry into niche markets.

The revenues from the finished dosages pharmaceutical formulations division during the year stood at Rs. 398 Crores against Rs. 370 Crores last year, recording a modest 7% growth. However, the exports from this segment recorded a revenue base of Rs. 103 Crores (Rs. 66 Crores during 2011-12), exhibiting a growth of over 56%.

The other business segments also performed well, resulting in an overall growth in revenues of 28%. The following is a summary of the company's performance during the financial year 2012-2013 :

₹ in lakhs

Particulars of Revenues*	2012-2013	2011-2012
API Division	22,636	14,798
Finished Dosage Formulations Division	39,836	37,047
Job Work	944	896
Other Income	7,873	3,168
TOTAL	71,290	55,909

*consolidated gross revenues.

The company's operations for the year resulted in a surplus of Rs.11,232 lakhs (as compared to Rs.8,251 lakhs for the financial year 2011-2012). Your Directors have decided to make the following adjustments from out of the surplus :

₹ in lakhs

Particulars*	2012-2013	2011-2012
Surplus after operational expenditure	11,232	8,251

Provision for deferred tax	1,223	380
Net surplus carried to Balance Sheet	7,814	6,213
Interim Dividend declared / paid	1,255	934
Tax on distribution of income	204	152
Transfer to General Reserves	800	700
Surplus carried to Balance Sheet	5,555	4,427

*on standalone basis

**Dividend:**

Your Directors had recommended and paid an interim dividend of Rs. 4.00 per equity share (last year - Rs. 3.00 per equity share) during February, 2013. Your Directors recommend that this may be treated as the final dividend and the recommendation / payment ratified.

Review of 2013 performance:**API Division:**

It is quite heartening to note the excellent performance of API division, which is reflected in the 51% growth in its revenues for the year 2012-13, as compared to the revenues during 2011-12. Your Directors are pleased to record that the API division has established an excellent growth of 40% during the year under review. While some amount of this growth is attributable to the volatile exchange rate fluctuations, it is a matter of comfort that the division could register a stellar performance during the year. Domestic sales of APIs remained stagnant at Rs. 32 Crores (Rs. 31 Crores in 2011-12) while exports at Rs. 191 Crores (2011-12 : Rs. 117 Crores) recorded a growth of 63%.

Having recognized the potential that this business segment offers, efforts are being made to further strengthen this segment by focusing on niche markets and new products. In view of the visible potential for this business segment, your management is examining the necessity for undertaking expansion - in terms of new blocks of manufacture and developing new molecules. As a part of this effort, your company continues to file Drug Master Files for different products in various regulatory and semi-regulatory markets. The table given in Annexure A to this report indicates the updated status relating to filing of Drug Master Files.

These filings would enable the company to reach out to international customers who are spread across the globe. While the revenue figures do not include the value of APIs used for captive consumption, the division's contribution to the revenues of the finished dosage pharmaceutical formulations segment cannot be undermined.

Being a responsible corporate citizen, your company cares for the environment and the API manufacturing facility continues to enjoy the ISO:14001 certification for its environmental management efforts. This is in addition to numerous regulatory approvals that the facility enjoys including, principally, those from US FDA and Australian TGA as well.

API Division :Out look for 2013-14 :

While the API division continues to churn out commendable performance, a significant challenge lies in sustaining and improving this performance. It is vital that the company concentrates on large governmental customers in niche markets (such as South American nations) and on new molecules and strive to achieve economies of scale in production of the existing molecules. Your management is exploring various options towards this end.

NATCO Organics Limited, which has gone into production during 2011-12, is gearing up to improve its performance and is expected to achieve cash break-even levels of operations during late 2013-14. Products from this unit are sure to help in reaching a wider range of international customers. For one of the Para IV challenges that the company has filed recently, the raw material is being sourced from NATCO Organics. Establishment of additional blocks of manufacture are being contemplated at this Plant to ensure that the growing demands are adequately met.

Finished Dosage Formulations Division :

The high-light of the division's performance lies in its record growth - at Rs. 103 Crores of revenues - of over 56% in exports, thanks to the marketing approvals that the company received from US FDA, notably that of Lansoprazole. Between the last week of December, 2012 and 31st March, 2013, the company could garner a revenue base of Rs. 22 Crores from this product. While the market-share from this product was less than expectations, your management is sure that the product would stabilize and achieve a decent market share. The other products for which we had received approvals from the US FDA, and which have since been launched in the US markets have performed well.

The company has also received approvals for marketing of Rizatriptan tablets and shipments of this product have since commenced.

Revenues from the domestic oncology segment, however, remained stagnant at around Rs. 140 Crores, This segment has become severely competitive and some of the domestic players and a couple of multi-nationals as well have effected a down-ward revision in the prices of some of the products.

The generic version of Nexavar, for which your company was the first to receive a compulsory license, recorded a satisfactory level of sales. During the year under review, the Intellectual Property Appellate Bench has up-held the compulsory license granted to the Company for this product, while increasing the royalty payable to the innovator to 7%.

The growing competition, drying up of the product pipe-line and the regulations concerning pricing policy for domestic sales etc. are some factors which are causing a certain amount of anxiety for any possible growth in this segment. In spite of this, your company remains a strong player in the oncology segment, and one of the fastest growing companies in the pharma space..NATCO, itself being a research oriented company, respects intellectual property and rights associated therewith. NATCO has been and would always try to maintain a balance between the IP protection and the need to make available quality drugs at an affordable price. To this end in view, your company strongly believes generic companies - such as NATCO - should be encouraged by the Government by finding a solution within the available legal frame work.

A couple of products being manufactured and sold by the company have been subjected to pricing regulations in view of the Drugs Price Control Order and their prices have been revised downward in line with the Order. The impact of this reduction on the revenues and profitability is insignificant.

As far as the domestic market is concerned, your company assumes a demanding environment and to meet the challenges that are likely to be encountered, your company and management is engaged in a series of activities which would ultimately result in strategic moves. These strategies are expected to effectively counter the challenges that we expect to encompass in the coming years.

Finished Dosage Pharmaceutical Formulations Outlook for 2013-14 :

While due note is taken of the ever demanding challenges, your company expects to maintain a stable growth from this segment. A strong push is expected from an aggressive foray into regulated markets. The Directors would like to assure that despite these issues, the segment to do well and maintain its growth. In this context, your company is aiming to establish a strong base in the regulatory markets. Your company is moving towards a "ready" mode to take full advantage of the emerging opportunities.

The Company is contemplating establishment of a cyto-toxic injectable facility at Kothur.

Formulation Exports : Emerging scenario :

The year 2012-13 saw NATCO's Lansoprazole (Rx) and Rizatriptan launches in the USA in collaboration with Breckenridge Pharmaceuticals and Actavis. Both the products have recorded a satisfactory level of sales.

The company expects to receive marketing authorizations for several key products / molecules in the coming years. As and when these are received and products launched, they are likely to result in enhanced revenues and profits.

The company has completed all major expansion plans and separate manufacturing blocks for Glatiramer Acetate (API) and Lansoprazole, Oncology Block, Lenalidomide block etc. have been completed.

The company received a favorable verdict from the Court of Appeals, relating to Copaxone®, which should clear the decks for its launch in May, 2014. The launch of this product is likely to push the company into big league, resulting in a significant increase in sales as well as profits.

Though the company has a number of marketing opportunities in terms of para IV challenges and First-to-File (FTF) status, the inordinate delay in granting approvals and efforts by the innovators to curtail and restrict the value of these opportunities has to be carefully dealt with.

A summary of these opportunities is given below :

Product	Armodafinil	Glatiramer Acetate	Lanthanum Carbonate	Lapatinib Ditosylate	Lenalidomide	Oseltamivir Phosphate
Current Mkt Size (USD mn)	400	3400	115	125	3000	485
Partner	Breckinridge	Mylan	Lupin	Lupin	Watson	Alvogen
FTF / Para IV	Para IV	Para IV	Shared FTF	Sole FTF	Sole FTF	Sole FTF

Sole FTFThe present legal status of each of these opportunities is as under :

**Armodafinil :**

Pending infringement suit against NATCO and Breckenridge Pharmaceuticals.

GlatiramerAcetate :

Federal Circuit Court had ruled in favor of NATCO / Mylan. Await ANDA approval for possible launch after May 24, 2014.

Lanthanum Carbonate :

ANDA yet to be approved. Presently, no litigation is existing.

LapatinibDitosylate :

Awaiting ANDA approval. Presently, no suit is pending against NATCO.

Lenalidomide :

Depositions likely to begin during the third quarter of the calendar year 2013.

OseltamivirPhosphate :

Presently, under appeal before the Federal Circuit Court.

The Kothur facility would be dedicated exclusively for products meant for export to the US / European markets and the Company is dis-engaging itself from accepting new or continuing the existing contract manufacturing assignments ex-Kothur plant.

Branded Generics & Institutional Sales :

The company has exited from branded generics segment and is choosy about its participation in institutional tenders. The Institutional sales segment continues to suffer from severe competition. However, with supplies from duty free zones, efforts are being made to be competitive for bagging business from this segment. Dependence on this segment is being brought down, albeit, in a phased manner.

Subsidiaries :

Pending completion of the product registration formalities, the company's step-down subsidiary in Brazil is engaged in distribution of wipes business, in addition to pharmaceutical formulations of local companies. The market response to these initiatives has been encouraging and we expect to break-even in due course.

As a part of its strategy of establishing itself in new niche markets, the Company has set-up subsidiaries in Canada and Singapore. These are yet to become operational. The company's efforts to register its products in these countries in continuing.

NATCO Organics Limited, which is engaged in the business of manufacture and sale of cyto-toxic APIs has since become a subsidiary of the Company. The company intends to procure these products from NATCO Organics and convert them into finished dosage pharmaceutical formulations for ultimate sale.

US Pharmacy business:

SaveMart Pharmacy, Lancaster, Pennsylvania, USA, - which was acquired through the company's wholly owned subsidiary, **NATCO Pharma Inc.** - had, for the year ended on 31st March, 2013, recorded a net profit, after tax, of Rs. 175 lakhs (against Rs. 79 lakhs previous year) after accounting for interest of Rs. 40 lakhs (previous year Rs. 59 lakhs) payable to the Company on the loans advanced by the parent company. The subsidiary has also repaid Rs.205 lakhs (Rs. 343 lakhs previous year) out of the loan advanced by the Company.

Supply & Distribution Agreements :

In addition to the existing supply and distribution agreements, agreements have been entered into for new products for marketing overseas. Your company has been consistently working towards taking the several supply and distribution agreements that it has executed with its marketing partners to their logical conclusion. These agreements are expected to evolve into revenue streams in the next couple of years.

Manufacturing facilities:

Both the units in Dehradun in the State of Uttarkhand are fully functional. Together, products worth Rs. 141 Crores have been sold from these plants.

The construction of the new finished dosage pharmaceutical formulations facility at Guwahati in the State of Assam is fast nearing completion and the unit is expected to go into production soon. This location is eligible for income-tax and excise duty benefits and establishment of this plant would enable the company to continue to claim the tax benefits.

All the expansion plans at Kothur plant have since been completed and are in various stages of validation / trial runs. Modernization of the existing facilities at Nagarjuna Sagar is being planned.

Abbreviated New Drug Applications (ANDAs) :

Annexure B to this report details the latest status on the abbreviated new drug applications filed by your Company.

The Company continues to commercially exploit the approvals that it has already received and has been receiving royalties from its constituents as per the agreements in force.

Research Efforts and Intellectual Property

Annexure C to this report details the latest status on the various patent applications filed by the Company.

The company's R & D centre (NATCO Research Centre - NRC) continues to work on several compounds simultaneously, and is engaged in the development of molecules, processes, products and scaling-up.

Phase II clinical trials for the company's new chemical entity have since commenced. Evaluation of other molecules for possible development is continuing. These include molecules for disease management and control, various analogues useful in the field of anti-cancer, anti-depressant and anti-ulcer therapies, and new drug delivery systems.

Contract Manufacturing:

The revenues from contract manufacturing activity continue to be stable and the company maintains and continues to serve its clients in this category to their complete satisfaction.

Corporate Social Responsibilities (CSR):

The company is proud to be associated with NATCO Trust, which continues to actively pursue its social welfare activities. The Trust has expanded its activities to cover new geographical locations, situated near the company's manufacturing locations. Details on the activities of the Trust are available elsewhere in this Report.

The Company's in-house quarterly magazine "Spandana" continues to receive applause.

Financial Matters :

The Company has no derivative contracts outstanding as at 31st March, 2013.

Employees Stock Option Scheme :

In accordance with the provisions of NATSOP 2010 (NATCO Employees Stock Option Plan, 2010), the company had vested 225,122 options which have since been exercised and an equivalent number of shares (225,122) have been allotted to 1533 employees during the year. Appropriate amounts on account of these grants have been charged to the Profit & Loss account of the company for the year ended on 31st March, 2013.

There has not been any variation in the terms of options and no options are in force as at 31st March, 2013. A total of 33,900 options have been vested to and exercised by senior management personnel. The company has not used the intrinsic value of the stock options for calculating the employee compensation cost.

Directors :

Mr. Rajeev Nannapaneni, Dr. P. Bhaskara Narayana and Dr. A.K.S. Bhujanga Rao would be retiring at the ensuing Annual General Meeting and are eligible for re-appointment.

Dr. JastiSambasiva Rao had resigned from the Board on 7th May, 2013 owing to his pre-occupation. Your Directors place on record their sincere appreciation of the services rendered by Dr. Jasti S. Rao during his tenure as a Director on the Board of the Company.

Directors' Responsibility Statement :

In compliance with the provisions of Section 217(2A) of the Companies Act, 1956, the Directors confirm that :

- a) in the preparation of annual accounts, the applicable accounting standards have been followed;
- b) the Directors have selected such accounting policies as mentioned in Schedule 18 of the Annual Accounts and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a

true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that year;

- c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the aforesaid Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and
- d) the annual accounts have been prepared on a going concern basis.

In respect of the qualification made by the statutory auditors in their reports dated 30th May, 2013 and 6th June, 2013, relating to non-availment of credit of Minimum Alternate Tax, the same would be examined after the outcome of the pending assessments are known.

Statutory Auditors :

M/s. Walker, Chandio& Co., Chartered Accountants, Hyderabad, the statutory auditors of the Company hold office till the conclusion of the ensuing Annual General Meeting, and are eligible for re-appointment. The Board recommends their reappointment.

Internal Auditors :

M/s. Seshachalam& Co., Chartered Accountants, Hyderabad, who have been appointed by your Board to carry-out internal audit of the Company last year will be continuing as internal auditors for this year as well.

Cost Audit :

The Government of India had prescribed maintenance of cost accounting records and ordered cost audit under the provisions of Section 233B of the Companies Act, 1956 in respect of your Company's operations. Your Company is following the prescribed guidelines in maintaining the requisite records.

Particulars of Employees :

The information required under Section 217(2A) of the Companies Act, 1956 and the Rules there under in respect of the employees who were in receipt of remuneration in accordance with the specified limits is attached to forms part of this report.

Particulars regarding Energy conservation, etc.

Information on conservation of energy, technology absorption, foreign exchange earnings and outgo as required to be disclosed under the provisions of Section 217(1)(e) of the Companies Act, 1956 is enclosed and forms part of this report.

Listing Information :

The securities of the Company are listed with and are traded in, dematerialized form on the Bombay Stock Exchange and the National Stock Exchange. The annual listing fees were paid to each of these exchanges for the year 2012-2013. Facilities for dematerialization have become fully operational. The ISIN No. of the Company is INE987B01018.

Fixed Deposits :

There are no outstanding and overdue deposits as at 31st March, 2013. The Company had not accepted any deposits during the year.

Acknowledgements :

Your Directors place on record their deep sense of gratitude for the support, cooperation and guidance received by the Company from various departments / agencies of the Central and State Governments, the consortium of banks led by Allahabad Bank as also to Axis Bank Limited, Export-Import Bank of India, Yes Bank Limited, and ICICI Bank Limited. The Directors also thank the shareholders, officers and staff of the Company for their excellent cooperation and dedicated work.

V.C. NANNAPANENI
Chairman & Managing Director

Risk Management & Mitigation strategy at NATCO

The company encompasses several operational risks, notable among them include, but not limited to risks relating to Property, day-to-day operations, environmental management, regulatory, and policy. Your management strives to evaluate these risks on a continuous basis and ensures that remedial measures are initiated and follow-up action is taken.

Given below is a brief description of these risks and the strategies that are adopted by the Company to counter these risks:

Property and resource related risks:

All the fixed assets of the Company, including stocks of finished goods, raw materials, packing materials and work-in-process are adequately insured, and in most of the cases, at replacement values. All the employees of the Company are also insured against accidents and in some case, against ill-health. All incoming and outgoing raw material, packing material and finished products are adequately insured against various possible perils.

Human Resources

The company believes that human resources is its biggest asset and recognizes that retaining and nurturing talented human resources has always been a challenge. While the employee costs are increasing every year, the company has taken steps to retain talent by providing reasonably appreciable avenues of growth, along with suitable compensation structures. Talent within the company is continuously identified and nurtured to ensure that the employees get opportunities to excel themselves and efforts are made to create and preserve a habitable working environment. In this direction, the remuneration structure is suitably designed, including a component in the form of employee stock options.

Products / Markets :

Your company has a predominant presence in oncology segment with a basket of around 20 drugs. Operating in this segment has proved to be highly profitable, with good margins. However, realizing the pit-falls of dependence on a single segment, efforts are being made by the Company to reduce such dependence to the minimum. Constant efforts are made to widen the business horizon and to enter niche markets and introduce niche products. Your company is constantly evaluating various options available to it to mitigate these risks by spreading its operations into new geographical areas and by venturing into new product / therapeutic lines.

Competition :

As one operating in an open economy, the Company understands and realizes that competition is omnipresent. The industry sector and therapeutic segment in which your company operates are no exception, compelling your company to devise strategies to ward off or minimize the effect of competition. Steps being taken in this direction include, among others, increasing rapport with the medical profession and generally spreading the knowledge about the company's products by organizing continuous knowledge programs for the medical profession. The company has thus created for itself a niche position among the companies operating in this segment.

In line with this policy, the company continues to pursue a very aggressive pricing policy for some of its products, and continues its drug donation program.

The company has always stood for quality in every aspect of its operations. Standards of manufacture and quality play a vital role in managing competition and retaining and developing customer base. By maintaining its facilities at world standards, and continuously upgrading them to suit international standards and US FDA requirements, NATCO is able to not only retain but widen its international customer base. Regular audits are undertaken by customers and the observations made in these audits are duly attended to.

Price Controls :

The pharmaceutical industry in India is subject to price controls and the prices of some products are determined by the Government. Though only some products manufactured by NATCO are likely to be a subject matter of price control mechanism under the Indian law, nevertheless, governmental compulsions for reduction in the prevailing prices remains a risk. Being a pharma company with a human touch, NATCO has always and would continue to abide by the legislative or governmental compulsions, if any. In this direction, Efforts are made to offset such losses by more effective and efficient management of its resources, controlling costs and launching of superior and new products.

Litigations :

The company's presence in the US and European markets and future strengthening of this presence would invariably invite legal risks. More often, these risks remain high and would involve huge stakes. The company aims to minimize or neutralize these risks by a unique system of tie-ups where the litigation risks are taken-up by the marketing partner rather than the Company itself. In addition, suitable and adequate product liability insurance is also obtained.

Regulatory Observations:

Regulatory approvals form the basic strength of the Company and utmost care is taken to ensure that these approvals are valid, in full force and are renewed from time to time. To this end, all observations made by the Regulatory Auditors and Customer Auditors are taken seriously and immediate action is initiated to rectify the lapses, if any.

Global and Environmental Risks :

The company is not immune to changes that the world is undergoing - be it economic, political or otherwise. Owing to global economic melt-down, the company could not achieve the targeted growth levels. As far as practicable and possible, the Company aims to keep itself insulated from these risks by entering into strategic alliances with partners in other countries. In case of such tie-ups, generally speaking, the cost of litigation and the cost of regulatory filings, wherever applicable, would be to the account of the partner.

However, before considering an entry into niche markets, the company invariably evaluates the challenges and risks associated with the country's political stability, commercial strengths and market stability. In most cases, while the Company continues to be cautious in its plans for expansion and growth, ensures adequate insurance coverage for its commercial risks.

Foreign Currency transactions and associated Risks :

The company continues its policy of not hedging any of its import / export transactions. It has been the company's experience that such a policy will, over a period of time, neutralizes the risks associated with foreign currency transactions. .

Economic and Financial Risks :

The company is operating in an environment where, as of now, financial costs are rising. The company is attempting to reduce the financial costs by contracting new loans at cheaper rates. Wherever possible, attempts are made to enhance the product pricing to cover rising costs.

The company has a system of re-cycling the various solvents that it uses to ensure improved productivity and yields, and at the same, cutting costs.

The company's API plant is a zero discharge facility (which does not cause any pollution). Adequate and suitable insurance cover is available to cover public liability and general commercial liability risks.

Energy and associated risks :

Power shortages and unscheduled power cuts continue to plague the State of Andhra Pradesh, in which the company's major manufacturing facilities are situated. As a result, the company has been forced to go in for its own generation of power, albeit, at a high cost. This has impacted the overheads adversely, further shrinking the already thin margins. This is a risk that the company cannot avoid unless it goes in for its own captive generating stations. At this point of time, this measure seems to be unviable.

The company is purchasing power through the open access system, subject to Government regulations in this regard, and is attempting to explore the feasibility of setting up a non-conventional power plant on an experimental basis.

Other Risks :

In addition, the Company faces distribution, storage, contamination, counterfeit and risks associated with patents and intellectual property rights. The company is in the process of evolving a strategic mechanism which will enable it to deal with these risks in course of time.

REPORT ON CORPORATE GOVERNANCE

The Securities and Exchange Board of India (SEBI) regulates corporate governance practices of companies listed on the Stock Exchanges. These regulations are notified under Clause 49 of the Listing Agreement of all the Stock Exchanges. Corporate Governance is the application of best management practices, compliance of laws in true letter and spirit and adherence to ethical standards for effective management and distribution of wealth and discharge of social responsibility for sustainable development of all stakeholders.

1. Company's Policy on Code of Corporate Governance

Principles of corporate governance are key to maintaining the trust of investors. The Board of Directors of your company has adopted these corporate governance practices to promote the effective functioning of the Board, its committees, and the Company.

Your Company continues its endeavor to enhance its stakeholder's value by protecting their interest. It envisages working towards high level of transparency, accountability, consistent value system, integrity of the management. Your inputs helps us to continue to drive innovation in policies and disclosure on corporate activities and other key governance areas.

Regulatory reforms have resulted in the transformation of the corporate governance landscape and your company has embraced these amendments, and in some cases has been ahead in adopting innovations. It further inspires to practice responsible business principles, and continue to demonstrate commitment to excellence to sustain value for investors and stakeholders.

Your company respects the right of its shareholders to information on the performance of the company and considers itself as trustee of its shareholders.

2. Board of Directors

To

The Members of Natco Pharma Limited

I have examined the compliance of conditions of Corporate Governance by Natco Pharma Limited, for the year ended on March 31, 2013 as stipulated in Clause 49 of the Listing Agreement of the said Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination has been limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the certificate of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

No investor grievance(s) are pending for a period exceeding one month against the Company as per the records maintained by the Company.

In my opinion and to the best of my information and according to the explanations given to me and the representations made by the Directors and the management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Clause 49 of the above-mentioned Listing Agreement. The Company has submitted and published the Financial Results for all the quarters with in the stipulated time.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Place: Hyderabad

CORPORATE SOCIAL RESPONSIBILITY

natcotrust

*To learn to live
To live and learn*

About Natco Trust

NATCO TRUST is the corporate social responsibility division of NATCO Pharma Ltd, and it is based in Hyderabad. The core areas of the Trust are Health, Hygiene, Sanitation, Water, Education, Livelihoods, Institutional and Need Based Community Infrastructure support. It operates in the vicinity of wherever it has a business presence. Since its inception in 1995, the Trust has been evolving and constantly revisiting its role in society.

Our Corporate Social Responsibility Statement and Principles define our approach towards the society- the most important stakeholder in the development of the organization. We at NATCO endeavor to make a positive contribution to the underprivileged by supporting a wide range of socio-economic programs including education, health, sanitation, hygiene, livelihood and other community based initiatives. Many of these community projects and programs are driven by active participation of different stakeholders like the promoters, the employees, the suppliers, the government etc

Currently Natco Trust operates in 4 districts namely, Mahaboobnagar, Nalagonda, Guntur and Hyderabad in the state of Andhra Pradesh. It aims to reach the unreached community in the areas of education, health, water, sanitation, livelihoods and community based infrastructure support.

THE CORE AREAS OF INTERVENTION are as follows:-

- 1) **Health**
 - 2) **Education**
 - 3) **Livelihood**
 - 4) **Water and Sanitation**
 - 5) **Environment**
1. **Health**

Natco Trust is committed to enhance the health and well being of the targeted communities. It attempts to improve the health seeking behavior of the communities regarding nutritious food, mother and child health, communicable diseases, preventive mechanisms through community based health services and health educations

Natco Mobile Health Clinic:

Objective: -"Health Services at the door steps of the community"

Natco mobile health clinics (NMHC) are a boon for the community (as apparent by the community). It serves more than 8000 households with a population of more than 50000 in 29 villages at Mahaboobnagar and Nalagonda districts on a rotation basis with a weekly schedule. It has all the basic equipments and free medicines provided apart from the health services health education also provided to the community.

NMHC provides Primary health care for the community. The main part of this is to examine the patients and treat them accordingly. The patients who cannot be treated at NMHC and who needs high end care are referred to higher centers at Nalagonda and Hyderabad. NMHC team visits home and treats terminally ill patients and others who cannot come to NMHC because of serious disease or very old age.

Natco Mobile Health Clinic has been initiated at Kothur mandal on 15th August 2012 and it has been inaugurated by Mr. Pratap Reddy -MLA Shadnagar.

NUTRITION CENTER VISIT: As part of the NMHC services antenatal and postnatal care is provided to the pregnant and lactating mothers respectively. They were treated of the basic ailments like anemia...etc and are referred for higher centres for ultrasound scan, blood investigations and when abnormalities like high blood pressure, abnormal presentation of foetus, bleeding p/v...etc are detected.

NMHC team works with the government ANM (auxiliary nurse midwife) and makes sure that all the antenatal mothers are immunized with 2 doses of TT. Pregnant mothers are advised about the diet, immunization, family planning, breast feeding etc. All pregnant mothers are motivated to go for institutional delivery.

HEALTH AWARENESS: to prevent seasonal and communicable diseases like Typhoid, Malaria, Dengue and HIV-AIDS, etc, People are advised to boil and filter water before drinking. They were advised to take personal protective measures like using mosquito nets to prevent from the disease spreading mosquitoes biting them. Awareness provided on tobacco consumption, safe sex and regular health check up for the pregnant mothers, personal and community hygiene. Awareness provided on cleanliness of surroundings, family planning, institutional deliveries, breast feeding and immunization.

As part of NMHC health services has been extended to government school students and Nutrition centre beneficiaries

SCHOOL HEALTH: School children are examined and treated for minor ailments. They were given Albendazole tablets to treat worm infestation. Children are made aware about the personal hygiene and causation of diseases. They are educated about having bath daily, cutting nails, washing hands with soap before eating and after going for toilet etc,. They were told not to insert slate pencils, pencils, match sticks... etc into their ears...

Natco Mobile Health Clinic - Nalagonda district: The NMHC at Nagarjuna Sagar extends health services to 17 villages, 1 backward community government hostel and employees of Natco Pharma Limited. 27,097 beneficiaries got benefit for the year 2012-13. The month wise beneficiaries' details of NMHC are as follows....

Education:

We are committed to create enabling environment for children through education initiatives, emphasis laid on access, equity and quality of education by extending the need based support on appropriate infrastructure, skilled teachers, innovative teaching methodology and curriculum, access to basic teaching learning materials for improving the learning competence of the children, in addition to this adapted innovative methods to make learning more interactive and participatory.

Objective: To strengthen the government schools in terms of infrastructure, libraries, science labs etc. in order to retain all the eligible school going children in the school and impart qualitative education.

Natco School of Learning - Gollamudipadu Village, Ponnur Mandal, Guntur District.

Natco Trust has initiated the setting up of **Natco School of Learning** (an English Medium School), at Gollamudipadu village, Ponnur Mandal of Guntur District during the financial year, 2011-12, with an objective of providing good education to the local community and to many of the surrounding village children.

The NSL got recognized by state government of AP and affiliated to CBSE, New Delhi

This School has been set up with well-established infrastructural facilities with gardening and landscaping, well-trained teaching staff, x-seed idiscoveri methodology and activity based learning. It is also facilitated with good transport system and well-equipped library Computer Lab and Science lab etc.

Though the school started with strength of 156 students for the year 2011-12, it has increased to 264 students for the year 2012-13 academic years. The school got recognized by the state government of Andhra Pradesh and affiliated to central board of secondary education, New Delhi. Free education extended to 32% of the students and subsidized education provided to 6% of the students for the academic year.

Free and subsidized education extended to 32% and 6% of the students for the academic year respectively

Most of the children at NSL are from Telugu Medium background, with minimum parental support with regard to their academics. But, on observing over a period of two years, we could find that there is remarkable development in their creativity, thinking, interpretational and illustrative skills, helping them grow independent at each level, which are encouraged through various activities and tasks assigned from time to time in different subjects. Children of Grade 4 to 8 can confidently

interview an individual while a grade 1 or 2 student may be able to relate his learning on Additions, or Sizes to the environment and respond to a project work like accounting for the different books in their bag, or types of furniture in different classes as well.

Yet, there is consistent and continuing effort to enhance their thinking, reading and writing skills further by our teachers through the curriculum and activities planned from time to time ensuring that they can always, "THINK OUT OF THE BOX " through their learning process,.

Academic activities - The X-Seed curriculum was implemented in order to provide quality education to the students of Natco School of Learning. In order to check students understanding levels Learnometer tests were conducted. In order to induce pupils into 'Learning by doing' various project works were entrusted to them based on reasoning, application, analysis and comprehension. First hand experience / direct experience to students was given through field trips.

Most of the children at NSL are from Telugu Medium background, with minimum parental support with regard to their academics. On observation from past two years, there is remarkable development in their creativity, thinking, interpretational and illustrative skills, helping them grow independent at each level

Natco High School, Rangapur, Kothur Mandal, Mahaboobnagar district

Natco High School was established in the year 1995 under the Natco Trust, to facilitate education in the surrounding villages and also to the employee children of Natco Pharma Ltd. Though the school started with strength of 77 students, 10 rooms and 10 staff members in 1995 by 2012-13 it has increased to 1346 students, The objective behind establishing the school remained to impart quality education with free and subsidized fees.

Students have improved in their interpretation, thinking and analytical skills through the innovative mode of teaching taken up by the teachers. When a student made a torch light using a plastic container and waste wires, he found in his house, it encouraged all of us. 100% results in class X for the academic year 2012-13.

The implementation of activity based and hands on learning has brought a broad outlook for the students and increased their thinking skills and interpretation skills. Unlike every year we have seen a tremendous improvement in the way students interpret what they are learning, the way they express their

feelings and opinions. Teachers were continuously supported with different training programmes to meet the demand of the class room. The academic achievements include 100% result in grade X board exams as well as 99% results in internal exams from LKG to Gr. IX. External exams were also introduced and students from gr 4 to 9 have bagged gold, silver and bronze medals in international math and science Olympiads

Students bagged Gold, Silver and Bronze medals in Math and Science Olympiad conducted by IMO and ISO. 487 students got benefit from free and subsidized education for the year 2012-13

Details students availed free and subsidized education at Natco High School

Sl.No.	No. of Students availed free education	No. of students availed subsidized education	Total number of students
1	88	399	487

To improve the co-curricular and the extracurricular skills, students were made to participate in various competitions conducted in school as well as organizations like library associations of Shadnagar and Kothur. Kalabharathi Childrens Art Association, Chinni Chinni Asha, NICE foundation. Drawing, painting, elocution, essay writing, spell bee, fancy dress are the competitions conducted.

Boys' team of Natco high school participated in the national level Tchock ball championship and bagged first place on behalf of Mahaboobnagar district. Girls' team bagged second place in district level Tchock ball championship. Hockey, volleyball and cricket sports teams are also formed and given training in school.

In order to meet the requirement of the class rooms, management has decided to construct a new block of 9 class rooms and demolished the old construction and made a block of 6 class rooms with 1 multipurpose hall.

There are many events which were celebrated in the school which included national festivals and other important festivals of our country. The major event of the year was "Natco's Prakruthi Utsav" which was a cultural show and nearly 900 students have participated on stage and 100 students have participated back stage.

STATE CHAMPIONS:-NHS Tchock ball boys team won state level championship from MBNG district. 900 students directly and 100 students indirectly took part in the Annual event "Natco's Prakruthi Utsav"

It was a learning which included planning of the event to logo designing, from understanding the theme to developing cultural shows related to the theme, designing of the stage to lighting and sound. Preparations of props and managing to arrange on the stage.....students have gained the best of the experience in their lifetime.

Education activities at Nagarjuna Sagar, Nalagonda district

AFTER SCHOOL TUTIONS for primary and high school students

The objective: to inculcate the school going habit of among the children through activity based learning process amongst the students

Introduction: It has been observed that dropping out of government schools, is rampant among children in the communities with which the Trust works. In most of the cases, children continue education till 2nd standard and drop out due to various reasons. This is because, in the absence of proper tutoring and coaching, children, who are mostly first-generation learners, find it difficult to cope with their syllabus and school environment.

270 students are getting benefit from after school tuitions. Regular interaction with parents and teachers reduced the dropouts

The Natco trust initiated the after school tuitions to 10 government schools students in the targeted villages at Peddavura Mandal of Nalagonda district. The emphasis has been put on inculcating activity based learning process in addition to the class room learning. The child has the freedom to explore and learn in joyful way. The teaching methodology adopted was Multi grade and multi level. About 270 students of the 670 enrolments in Government Primary schools are benefitting from this program. These students are also provided with Nutritious snacks regularly

The objective is to prevent dropouts and mainstream the school going age group children

The syllabus has been progressing as per the content planned from time to time, level wise and an assessment using reading cards or written assessments are being held alternately in each centre. During this academic year, in Telugu apart from stressing on their ability to learn the basics thoroughly, stress was laid on grammar concepts, writing skills, comprehending skills, interpretational skills as well in a graded manner through the level wise laid down curriculum. Various activities to enhance their speaking, reading and recitation skills are also being included in to the curriculum to

make learning interesting and fun as well for the children, while it also fulfils the purpose of developing their spontaneity and involvement in subjects through the games and activities held.

There has been significant improvement in the reduction of the Dropout rate at Government schools, because of "After School Tuitions program". While the reasons contributing to the drop outs were like, engaging children in household/farm works, remunerative cropping patterns affecting their regularity, non child centered system of teaching process in some cases, etc., The impetus through play way methods of teaching, congenial timings, parent interactions and involvement in the child's development, games and art activities included in syllabi, cards method of assessment, etc being provided through "After school tuitions" have been making notable impact on the increased rate of enrolment and attendance in the schools enhancing interest in learning.

Pre -primary school - Thangalli thanda:

The early childhood years are essential for the proper mental, physical, emotional and social development of the child. This lays the foundation for the child's future. Thus, it is very essential to provide children with quality pre-school education. It is with this objective that the Natco Trust has initiated pre primary school.

Thangalli thanda is a rehabilitated village, consisting of 87 households belonging to Schedule tribal community. It has been earlier (palthi thanda) situated on the banks of Krishna River and very often inundated by the backwaters of river Krishna.

The objective of pre primary school is to inculcate the school going habit among the children. The learning processes become ease through MGML method.

The Trust has started a pre-primary school for the benefit of the children. The centre has 17 students in the age group of 3 to 5 years and they have been imparting activity based play way method learning. The Trust provided all teaching learning materials, play equipments, slates, and books; the center was taken care by a teacher and an ayah.

A nutritious snack is provided daily to the children. In addition, efforts are made to develop the innate abilities of the children through activities like songs, games etc. The concerted efforts with this age group has helped in school-preparedness while also engaging parents in their ward's learning process

During the academic year 2012-13, the school has 17 Children between the age group of 3 to 5 years getting benefit out of this program. They were provided with various learning experiences in Telugu, Math and Themes through different activities designed in thematic manner and with the implementation of Multi Grade Multi Level Methodology in teaching Telugu.

The Learning system has been proving effective, in helping the child mould himself well with regard to his socio-emotional skills, by providing for inculcating good etiquette, habits and also self expression. The activity based system has been facilitating him to learn the concepts with a true relation to reality in life. Implementation of multi-grade-multi-level (MGML) methodology facilitating him ample space to learn at ease from multiple perspectives, the concepts in Telugu and Math, for example, once he/she learns a particular letter, he/she not only learns the usage and the pronunciation but also explores the environment to find words with that letter, similarly they learn math through manipulative activities and relevant story problems, games etc. . Ultimately, these children are able to stand out among the other entrants of Grade 1 students in Government schools,, in respect of their content knowledge, behavior and participation in the learning process.

The parents of the children took the responsibility of cooking the mid-day meal for the students. It indirectly facilitates to monitor the learning process and increases the awareness and responsibility among the community

The involvement of the parents in the mid day meal preparation and updating of the learning levels of the child from time to time would slowly develop a sense of responsible attitude among the community people such that it sustains to a better extent in them to follow up their children's education.

Children's Clubs: This has been motivated in Government schools, defining the purposes, forming groups and initiating activities in language clubs, cultural clubs, art clubs etc.

Children's' clubs at Nayakunitanda , Yerracheruvu Tanda, Pilliguntla Tanda and at Borabanda, have been motivated and

encouraged to actively participate in mobilizing the school going children, apart from striving to improve the cleanliness in the schools, soft board works and playing various activities etc. A rally was organized at Tangilla Tanda also by the BVK children to increase the enrollment of the smaller children in Primary schools and encourage the children and parents towards schooling

The child clubs and village library would facilitate the socialization process and reading habits among the students of different age group

Village Library Program:

Periodical capacity building workshops organized for volunteers. Special event classes were organized for students to retain them in the schools.

In all about 87 children are taking the benefit of the program in three villages, viz, Pilliguntla Tanda, Yerra Cheruvu Thanda and Jaltanda. The children are encouraged to read the Library books available at school, with the support of the volunteer in the process through the conduct of various reading programs like, Chain Reading, Pair Reading, Reading and sharing the summary of the content read to the peers etc and an improvement is seen in their reading skills, pronunciation and enactment and imagination abilities apart from oral comprehending skills.

Open Tenth Program:

7 students have appeared for the exams held in the month of April from Chintalapalem. They were the working youth motivated for the purpose and supported and guided in the process of learning by the Team members and also supported on and off by a one or two employees of the organization as well.

Volunteer skills enhancement session:

A session has been organized to orient the volunteers with regard to the teaching of various concepts like, Picture comprehension, Story Narration, Greater than-less than, Missing numbers, additions and subtractions using the grid, Tombola game to revise the numerals, conduct of Memory and word building games etc, involving them through the activities. The government school teachers and Natco Trust team members took part in the program.

Drawing and Clay Modeling workshop was conducted in about 5 centers, namely, Jaltanda, Peddamunigal, Chintalapalem, Yerracheruvu tanda and Nayakuni Tanda for a week, with the cooperation of final year, Fine arts Student, Mr.Phani. They were taught about 15 to 20 pictures, through simple tricks of freehand drawing and they were also encouraged in clay activity.

Workshop by Butterfly Fields: It has been organized with their cooperation on 2nd November at Nellikal School for the students from Grade 4-10. About five topics were dealt in two to three slots of sessions for these classes. They have given 29 concept maps suitable for High School and 5 kits suitable for Primary to the school authorities.

Education activities at Hyderabad district

Support to Natco Government High School: The School has more than 1400 students from Class I to X both in Telugu and English medium. The Trust extended the support of housekeeping services and night security along with all required sanitary materials to keep the sanitation and school premises neat and clean. It also provided snacks to the school for all national festivals. A special snack has been provided to the 10th class students during the special classes. The results of 10th class were 90% both in Telugu and English mediums. 95 students appeared for the 10th examinations, out of which 85 students cleared it successfully. The school stood 1st in 10th results in the district of Hyderabad and the district collector felicitated the entire staff of the school.

The Natco Government High School stood 1st in 10th class results in Hyderabad district. Demand for admissions increased, as a result entrance test introduced for admissions. Natco Trust continuously extended Housekeeping and other need based support

The trust also conducted child club and summer camp activities for the primary school students. Around 60 students use to get benefit out of this activity. Uniforms also provided to the students of anganawadi and primary school.

Educational support to Government schools and Anganawadi centres at Kothur, Mahaboobnagar district.

The Trust has supported child centric school infrastructure like dual desks to 7 government schools, 1 anganawadi centre and 1 Village library. It also supported mid day meal plates, drinking water glasses, cooking vessels, food grain storing materials and other essential materials to government schools and Anganawadi centres at Kothur Mandal.

Provided student centric infra to government schools for conducive learning environment

SUMMER CAMP

The Summer Camp at Borabanda was organized for a period of 20 days for the children between the age group of 6 to 12 yrs. About 32 students participated in the program, a combination of various activities were included as part of the program. They were taught about 20 varieties of craft works, using handmade papers, Glass-work, best out of waste type etc and they were also taught the art of Candle Making. These students were also introduced to a set of new spot games, party games and interesting outdoor games. There were also activities like storytelling, Rhymes recitation to enhance their speaking and expression abilities. They could also have the opportunity of interacting with the Postal and Traffic Personnel and learn about the rules and roles of these department personnel apart from Traffic Education. This is the third successive year of such Summer Camp at this School which has also gained its name as one of the best Government Schools in Academic Performance and Infrastructural facilities running with the Support of Natco Trust, The CSR wing of Natco Pharma Ltd.

The objective of summer camp is to motivate the children to continue the school education by creating interest on various activities. 53 students took part in the summer camp

Personnel and learn about the rules and roles of these department personnel apart from Traffic Education. This is the third successive year of such Summer Camp at this School which has also gained its name as one of the best Government Schools in Academic Performance and Infrastructural facilities running with the Support of Natco Trust, The CSR wing of Natco Pharma Ltd.

A Maiden attempt has been made, introducing the same at Sanghiguda; Government School as well in this academic year, about 21 students took part in the program which went on for 5 days only. However, here also the daily agenda consisted of activities like, Craft Works, Story Telling, a few of the Indoor and Outdoor games as introduced at Borabanda.

The day used to end up with Entertainment Programs like Antakshari or Warm up Exercises too. And all the children were excited to participate and learn the various activities facilitated to them.

Activities at Guntur:-

Support to fire accident villages: In summer two villages namely Tallapalem and Mulukuduru at Ponnur mandal got fire and the houses got gutted down along with their belongings. Natco extended timely support it is supported with cattle feed to all the 80 families and in Mulukuduru village and supported with school stationary to all the students at Tallapalem.

Extended timely support on natural calamities and provided the fodder for animals and school materials to students.

Distribution of UPS units to Government welfare hostels:

It is organized and participated in the District Collectors program for distribution of UPS units in 6 government hostels worth Rs.1 lakh, in and around Ponnur on the occasion of state formation day.

Livelihoods: Skill up gradation for Wage employment, self-employment/value addition income generation for the youth and women

Vocational training centers:

During the year 2012-13, the Natco Trust has initiated vocational training centre at Gollamudipadu village of Ponnur Mandal, Guntur district. We have entered partnership with government of Andhra Pradesh for providing training to the youth.

604 candidates underwent skill development training. 287 candidates got placement and 120 are in wage employment. 40% BC community got benefited, followed by 24% minority, 19% SC community, 11% OC and 6% of ST community. 42.5% got employment in tailoring followed by 19.5% in beautician and driving and 18.5% in computers

The Trust has started 4 channels of vocational training centre at Hyderabad, Guntur and Nalagonda districts on Fashion designing, Beauty parlor, ICT (information communication technology) Electrical and Driving courses. 604 beneficiaries got

trained in different courses. The Trust facilitated placement for 287 beneficiaries. Around 120 beneficiaries are self employed and around 50 beneficiaries were pursuing education and the information on others is not known.

Income generation program

Natco Trust facilitated income generation program for the tailoring beneficiaries for the tune of Rs. 2 lakhs. They have stitched the government school uniforms and cloth carry bags for centre for environment education. Most of them use to earn minimum of Rs.2500/- and maximum of Rs.14000/- for per month.

Income generation program for a tune of Rs. 2 lakhs provided 50 sewing machines at free of cost

Distribution of sewing machine in convergence with Rotary Club -Bhagyanagar

Natco Trust facilitated free 50 sewing machines for the tailoring beneficiaries in convergence with Rotary club, Bhagyanagar. Natco vocational training centres are registered with directorate of employment and training under skill development initiative scheme (SDIS) scheme

Water and Sanitation

Objective: Providing safe drinking water within the reach of the community with permissible limits of minerals with special reference to floride

During the year 2012-13 a new RO purified drinking water plant was set up at Gollamudipadu GP of Ponnur mandal in Guntur district.

The Natco Trust has provided RO purified drinking water plants to 4 grama panchayats namely Haliya (4000 LPH), Peddavura (2000 LPH), Peddamunigal (3000 LPH) and at Kambalapally (1000 LPH) in Nalagonda district and Gollamudipadu grama panchayat in Guntur district with a capacity of 5000 LPH. The purified drinking water plant caters 3976 households with a population of 10633. Each family has to pay Rs.2 for 20 liters of water. The RO purified drinking water plants are managed by the village community in Nalagonda district and at Guntur; it has been maintained by the Trust.

Sanitation: Individual Sanitation Latrine (ISL) in Gollamudipadu village, Ponnur Mandal, Guntur district.

With a vision and target of 100% ISL in the village initiated to stop open defecation to prevent diseases. Discussions have been organized with the community and the line department to orient the importance of ISL and their participation in the construction. Coordinated with the Rural Water and Sanitation (RWS) engineer to make visit to the village and explained the process of assistance and objective of 100% sanitation in the village. So far 36 units are completed and distributed the assistance from Natco trust and government. Facilitated and coordinated with the district administration to include Gollamudipadu village as one of the 5 short listed villages in the mandal to extend Rs.9200 for each ISL under Central government scheme. The collector accepted, recommended the village and forwarded the proposal to Superintendent of Engineer of RWS for further process. The demand survey is completed and the list of sanctioned units is issued for grounding.

Objective of the program is to make the village free from open defecation. Facilitated and coordinated with the district administration to include Gollamudipadu village as one of the 5 short listed villages in the mandal to extend Rs.9200 for each ISL under Central government scheme..

Environment

Objective: -Promotion of kitchen gardens and non- pesticide management

In the targeted villages motivated the parents of the government school students and beneficiaireis of nutrition centres to raise the back yard kitchen garden in their lands. Natco trust encourages them by supplying the seeds at free of cost with a condition that soon after the yield, the farmers has to give the vegetables at free of cost to the government schools for their mid day meal. In this way support of vegetables has been extended to 6 government schools. The farmers also earned a decent income out of the yield.

The farmers gave a part of their yield to government schools for mid-day-meals

NABARD schemes awareness programme

Natco Trust facilitated in organizing the awareness program on different schemes available under National Bank for Agriculture and Rural Development (NABARD) for the village community. The Assistant General Manager of NABARD, Nalgonda dist., Mr. Veera Shankar explained the subsidiary loans on poultry, sheep rearing, dairy farms, eligibility conditions etc., for the farmers and the process of getting it through various banks. NABARD Leads Manager Mr. P.J. James discussed with the farmers about the free toll numbers for the enquiries in the district and state level officials and how to approach the officials in a simple way. In this program the bank managers of APGVB and Canara Bank Nagarjuna Sagar also attended and 750 women and farmers from three Grama panchayaths i.e., Nellikal, Tunikinutala and Chintala palem were also attended.

The awareness facilitated farmers to have one to one discussion with the government officials and ventilate their doubts. Around 750 women and farmers took part in the meeting.

Natco Trust has facilitated one to one contact between the farmers and the service banks in the area. A follow up meeting was also facilitated between the farmers and the service banks in the villages for a good rapport and mutual benefit.

INDEPENDENT AUDITORS' REPORT

To
The Members of NATCO Pharma Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of NATCO Pharma Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

6. *Pending outcome of the on-going tax assessments, the Company has not recognized Minimum Alternative Tax (MAT) credit entitlement as required by the Guidance Note on "Accounting for Credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961", issued by the Institute of Chartered Accountants of India. Had the Company accounted for such MAT credit, the profit after tax and the balance in loans and advances for the year ended 31 March 2013 would have been higher by ₹ 623,262,102 (31 March 2012: ₹ 404,902,653). This matter had caused us to qualify our audit report for the year ended 31 March 2012.*

Qualified Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph* the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31 March 2013;
 - ii) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
 - iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
9. As required by sub-section (3) of Section 227 of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the financial statements dealt with by this report are in agreement with the books of account;
 - d. in our opinion, the financial statements comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Act; and
 - e. on the basis of written representations received from the directors, as on 31 March 2013 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2013 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Act.

Annexure to the Independent Auditors' Report of even date to the members of NATCO Pharma Limited, on the financial statements for the year ended 31 March 2013.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets, except *in certain instances where the records for plant and machinery, furniture and other assets are maintained for a group of similar assets and not for each individual asset.*
- (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) In our opinion, a substantial part of fixed assets has not been disposed-off during the year.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) (a) The Company has granted unsecured interest free loan to a subsidiary covered in the register maintained under Section 301 of the Act. The maximum amount outstanding during the year is ₹ 165,301,121 and the year-end balance is ₹ 165,301,121.
- (b) The Company has granted an interest free loan to a subsidiary covered under Section 301 of the Act. According to explanation provided by the management, the terms and conditions of such loan is not, *prima facie*, prejudicial to the interest of the Company due to concessional trade arrangement with such party. *In view of such trade arrangement, we are unable to comment as to whether the rate of interest or other terms and conditions are prejudicial to the interest of the Company.*
- (c) In respect of interest free loan given, the principal amount is repayable on demand and since the repayment of such loan has not been demanded, in our opinion, receipt of the principal amount is regular.
- (d) There is no overdue amount in respect of loan granted to the said subsidiary.
- (e) The Company has not taken any loans, secured or unsecured from companies, firms or other parties covered in the register maintained under Section 301 of the Act. Accordingly, the provisions of clauses 4(iii)(f) and 4(iii)(g) of the Order are not applicable.
- (iv) In our opinion, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and for the sale of goods and services. *In our opinion, the internal control system for purchase of fixed assets needs to be strengthened to be commensurate with the size of the Company and the nature of its business. In our opinion, there is a continuing failure to correct major weakness in the internal controls for purchase of fixed assets.*
- (v) (a) In our opinion, the particulars of all contracts or arrangements that need to be entered into the register maintained under Section 301 of the Act have been so entered.
- (b) Owing to the unique and specialized nature of the items involved and in the absence of any comparable prices, we are unable to comment as to whether the transactions made in pursuance of such contracts or arrangements have been made at the prevailing market prices at the relevant time.

- (vi) The Company has not accepted any deposits from the public within the meaning of Sections 58A and 58AA of the Act and the Companies (Acceptance of Deposits) Rules, 1975. Accordingly, the provisions of clause 4(vi) of the Order are not applicable.
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and the nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under clause (d) of sub-section (1) of Section 209 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (ix) (a) Undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, custom duty, excise duty, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, wealth tax, service tax, custom duty, excise duty, cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹)	Amount Paid under protest (₹)	Period to which the amount relates	Forum where dispute is pending
The Central Sales Tax Act, 1956	Central Sales Tax	8,690,000	2,500,000	Financial year 1997-98	Honorable High Court of Andhra Pradesh
The Income Tax Act, 1961	Income Tax	6,924,266	6,924,266	AY:2009-10	Income Tax Appellate Tribunal, Hyderabad
		18,447,645	18,447,645	A.Y. 1989-90 to 1998-99	Honorable High Court of Andhra Pradesh
		656,967	656,967		

- (x) In our opinion, the Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and the immediately preceding financial year.
- (xi) The Company has not defaulted in repayment of dues to any bank or financial institution during the year. The Company did not have any outstanding debentures during the year.
- (xii) The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities. Accordingly, the provisions of clause 4(xii) of the Order are not applicable.
- (xiii) In our opinion, the Company is not a chit fund or a nidhi / mutual benefit fund/ society. Accordingly, provisions of clause 4(xiii) of the Order are not applicable.
- (xiv) In our opinion, the Company is not dealing or trading in shares, securities, debentures and other investments. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable.
- (xv) The Company has not given any guarantees for loans taken by others from banks or financial institutions. Accordingly, the provisions of clause 4(xv) of the Order are not applicable.
- (xvi) In our opinion, the Company has applied the term loans for the purpose for which these loans were obtained.

- (xvii) In our opinion, no funds raised on short-term basis have been used for long-term investment by the Company.
- (xviii) During the year, the Company has made preferential allotment of shares to parties covered in the register maintained under Section 301 of the Act. In our opinion, the price at which shares have been issued is not, prima facie, prejudicial to the interest of the Company.
- (xix) The Company has neither issued nor had any outstanding debentures during the year. Accordingly, the provisions of clause 4(xix) of the Order are not applicable.
- (xx) The Company has not raised any money by public issues during the year. Accordingly, the provisions of clause 4(xx) of the Order are not applicable.
- (xxi) No fraud on or by the Company has been noticed or reported during the period covered by our audit.

NOTES TO THE FINANCIAL STATEMENTS

Summary of significant accounting policies and other explanatory information

1. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of preparation of financial statements

The financial statements are prepared under historical cost convention on an accrual basis in accordance with the generally accepted accounting principles in India ("Indian GAAP") and comply in all material respects with the mandatory Accounting Standards ("AS") prescribed in the Companies (Accounting Standard) Rules, 2006, as amended, and with the relevant provisions of the Act, pronouncements of The Institute of Chartered Accountants of India ('ICAI'). The accounting policies applied by the Company are consistent with those used in the previous year.

b. Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful trade receivables and other receivables, provision for inventories, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed assets.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c. Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprise of purchase price, freight, non-refundable duties, taxes and any other cost attributable to bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of tangible fixed assets which

takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready for its intended use. Assets retired from active use and held for disposal are stated at their estimated net realisable values or net book values, whichever is lower.

d. Depreciation

Depreciation is provided on straight line method based on useful lives of the assets as estimated by management which coincides with rates prescribed under Schedule XIV to the Act.

Depreciation on sold/discarded fixed assets is provided for up to the date of sale /discarded as the case may be. Individual assets acquired for ₹ 5,000 or less are entirely depreciated in the year of acquisition.

e. Intangible assets

Intangible assets are recorded at the consideration paid for acquisition. Intangible assets are amortized over a period of 6 years, on a straight line basis.

f. Impairment of assets

The carrying amounts of assets, both tangible and intangible, are reviewed at each balance sheet date if there is any indication of impairment based on internal and /or external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

g. Government grants

Government grants relating to specific fixed assets are adjusted against the cost of underlying fixed assets and revenue grants are credited to Statement of profit and loss on a systematic basis in the Statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate.

h. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

i. Inventories

Raw material, packaging material, stores and spare parts are carried at cost. Cost includes purchase price excluding taxes those are subsequently recoverable by the Company from the concerned revenue authorities, freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Cost is determined using the weighted average cost. The carrying cost of raw materials, packaging materials and stores and spare parts are appropriately written down when there is a decline in replacement cost of such materials and finished products in which they will be incorporated are expected to be sold below cost.

Manufactured finished goods, Work in progress and traded goods are valued at the lower of cost and net realizable value. Cost of work in progress and manufactured finished goods is determined on weighted average cost basis and comprises cost of direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition. Cost of traded goods is determined on weighted average basis. Excise duty liability is included in the valuation of closing inventory of finished goods.

j. Research and development

Expenditure incurred on research activity is expensed as and when incurred.

k. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and collectability is reasonably assured.

- Revenue from sale of goods is recognized on dispatch or on the date of the bill of lading or airway bill in respect of export sales, which coincides with transfer of significant risks and rewards to customer and is inclusive of excise duty and net of trade discounts, sales returns and sales tax, where applicable.
- Service income is recognized as per the terms of contracts with customers when the related services are performed, or the agreed milestones are achieved.
- Dividend income is recognized when the right to receive the payment is established. Income from interest on deposits, loans and interest bearing securities is recognized on the time proportionate methods taking into account the amount outstanding and the rate applicable.
- Export entitlements are recognized as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.
- Revenue from profit sharing arrangements on sale of products is recognized based on terms and conditions of arrangements with respective customers.
- Revenue from licensing and long term supply arrangements, including facility charges is recognized in the period in which the Company completes all its performance obligations.

l. Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier periods. Deferred tax is measured based on the tax rates and the tax laws enacted or subsequently enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is

reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is a virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain or virtually certain, as the case may be that future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets are reviewed at each balance sheet date.

The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case maybe, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternative tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the ICAI, the said asset is created by way of a credit to the Statement of profit and loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

m. Earnings per equity share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the

period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n. Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting Group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise. In case of exchange differences arising on a monetary item that, in substance, forms part of an enterprise's net investment in a non-integral foreign operation is been accumulated in a foreign currency translation reserve in the enterprise's financial statements until the disposal of the net investment, at which time they should be recognized as income or as expenses.

o. Employee benefits

Provident fund

The Company contributes to the provident fund maintained by the Regional Provident Fund Commissioner, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The provident fund plan is a defined

contribution plan and contribution paid or payable is recognized as an expense on accrual basis. There are no other obligations of the Company other than the contributions made to the fund.

Gratuity

Gratuity is a post-employment defined benefit plan. An independent actuary, using the projected unit credit method calculates the defined benefit obligation annually. Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are credited or charged to the Statement of profit and loss in the period in which such gains or losses arises.

Employee state insurance

The Company contributes to the Employees State Insurance Fund maintained by the state authorities, in accordance with Employees State Insurance Act, 1948. The plan is a defined contribution plan and contribution paid or payable is recognized as an expense on accrual basis. There are no other obligations of the Company other than the contributions made to the funds.

Compensated absences

As per the Company's policy, eligible leaves can be accumulated by the employees and carried forward to future periods either to be utilized during the service, or encashed. Encashment can be made during service or on resignation, or retirement of the employee. The value of benefits is determined based on an independent actuarial valuation using the projected unit credit method as at the year end. Actuarial gains and losses are recognized immediately in the Statement of profit and loss.

p. Leases

Where the lessor effectively retains all risk and benefits of ownership of the leased items, such leases are classified as operating lease. Operating lease payments are recognized as an expense in the Statement of profit and loss on a straight line basis.

q. Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event i.e., it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A disclosure of the contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

r. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

s. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments, with original maturity of less than three months.

** including shares held in the capacity of Karta of HUF of 1,088,009 (31 March 2012:1,088,009)

(d) Employee stock option scheme ("ESOP")

(i) The Company had instituted NATCO Stock Option Plan 2010 ("ESOP 2010") as per the special resolution passed in the annual general meeting of the members held on 30 September 2010. This Scheme has been formulated in accordance with the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ("SEBI ESOP Guidelines") issued by the Securities and Exchange Board of India ("SEBI") and pursuant to the provisions of Section 81 (1A) and other applicable provisions of the Act. Pursuant to such approval, the Board is authorized to issue employee stock options, that are exercisable into not more than 600,000 equity shares of the Company to eligible employees based on specific recommendations of the remuneration committee. Each option comprises of one underlying equity share of ₹ 10 each. 236,551 options were granted during August 2011 at an exercise price of ₹ 10 each.

As at 31 March 2013 the stock option outstanding comprises of Nil (31 March 2012: 225,122) equity shares of ₹ 10 each, fully paid-up at an exercise price of ₹ 10 each to eligible employees, subject to vesting over a period of twelve months from the date of the grant. Shares granted under ESOP 2010 are accounted at intrinsic value of ₹ 253.70 per share, being the difference between the market value, calculated in accordance with the valuation methods prescribed by the SEBI and the grant price and accounted as stock option compensation over the vesting period.

- (ii) During the year ended 31 March 2013 the Company has recorded stock compensation expenses amounting to ₹ 57,112,791 (31 March 2012: ₹ Nil) including ₹ 36,202,643 (31 March 2012: ₹ Nil) pertaining to prior period.
- (iii) Changes in number of shares representing stock options outstanding as at the year ended on 31 March 2013 were as follows:

	<u>ESOP 2010</u>
Outstanding as at 1 April 2011	-
Granted during the year	236,551
Exercised and vested	-
Forfeited	11,429
Outstanding as at 31 March 2012	225,122
Exercised and vested	225,122
Forfeited	-
Outstanding as at 31 March 2013	<u>-</u>

- (iv) Proforma disclosures:

Earnings per equity share (EPES) calculated using cost computed under the black and scholes model method is higher than the EPES reported after considering the cost computed using the intrinsic value method, hence no proforma disclosures are presented.

- (e) **Details of shares issued pursuant to contract without payment being received in cash and brought back during the last 5 years, immediately preceding the balance sheet date:**

	As at 31 March, 2013	As at 31 March, 2012
Equity shares of ₹ 10 each allotted as fully paid-up pursuant to contracts without payment being received in cash.*	332,247	211,600
Equity shares bought back by the Company	-	458,465

* The Company has issued these shares on exercise of the options granted under the employee stock option plan (ESOP) wherein part consideration was received in form of employee services.

- (f) In the prior year, NATCO Group Employees Welfare Trust ("Trust") acquired certain equity shares of the Company from the open market for the purposes of further allotment to the employees of the Company. Pursuant to the Circular No. CIR/CFD/DIL/7/2013 dated 13 May 2013 issued by SEBI and as required thereunder, the Trust is in the process of disposing off such shares in compliance with the provisions of the said circular.

Investment in portfolio management services

The Company has made an investment, aggregating to ₹ 15,000,000 in the private equity opportunities fund of Anand Rathi Financial Services Limited (ARFSL). By virtue of shareholders agreement and share subscription agreement, both dated 29 November 2010, ARFSL has invested the Company's fund in the Compulsorily Convertible Preference Shares of Ravindranath GE Medical Associates Private Limited. The Company's investment in the private equity opportunities fund of ARFSL provides for a return of 20% in excess of 16% on a gross pre-tax IRR basis. In the absence of reasonable certainty of realization of return, no income was accrued on such investment for the year ended 31 March 2013.

31. Segment reporting

The single financial report of the Company would contain consolidated financial statements, including segment information, and the separate financial statements. Hence no separate disclosure on segment information is given in these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

(All amounts in ₹ unless otherwise stated)

	As at 31 March, 2013	As at 31 March, 2012
32. Contingent liabilities and commitments		
(a) Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)	135,107,882	67,213,981
(b) Contingent liabilities		
Claims against the company not acknowledged as debt	204,227,280	320,068,008
Disputed sales tax liabilities	8,690,000	8,690,000
Disputed income tax liabilities	26,028,878	169,259,702

Claims against the Company not acknowledged as debt, represents claim including interest lodged by M/s. SMS Pharmaceuticals Limited, against the Company. During the current year, the Hon'ble City Civil Court, Hyderabad has passed the judgement against the Company. Based on a legal advice received, the Company has preferred an appeal before the Hon'ble High Court of Andhra Pradesh as the management is confident of favorable outcome and has recorded an expense aggregating to ₹ 115,840,728 in the accompanying financial statements.

Disputed tax liabilities primarily represents additional tax demanded by the Tax Authorities, challenging the Company's basis of computing profits of units covered by the provisions of Section 80IC of the Income Tax Act, 1961. Pending final outcome of such matters and in view of the order for Assessment Year 2007-08 and 2008-09 being set aside by appellate authorities, management is confident of favorable outcome of the proceedings.

33. Dues to Micro and small enterprises

*Investments other than investment in subsidiaries is disclosed

The annual accounts of the subsidiary companies and the related detailed information will be made available to the investors seeking such information at any point of time. The annual accounts of the subsidiary companies will also be available for inspection by any investor at the Registered Office of the Company on all working days during business hours and is also available on the company's [website www.natcopharma.co.in](http://www.natcopharma.co.in)

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the Board of Directors of NATCO Pharma Limited

1. We have audited the accompanying consolidated financial statements of NATCO Pharma Limited ("the Company") and its subsidiaries (hereinafter collectively referred to as the "Group"), which comprise the Consolidated Balance Sheet as at 31 March 2013, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

2. Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

6. *The Consolidated Financial Statements as at and for the year ended 31 March 2013 include management prepared unaudited financial statements of its subsidiary Timecap Overseas Limited, Mauritius and K&C Pharmacy for the previous year ended 31 March 2012. In the absence of audited financial statements of the said subsidiary, we are unable to express an opinion to the extent of total assets, total revenues and net cash out flow pertaining to the said subsidiary amounting to ₹ 12,598,216 (31 March 2012: ₹ 47,355,832); ₹ Nil (31 March 2012: ₹ Nil) and ₹ 172,555 (31 March 2012: ₹ 5,383,349) respectively, included in the Consolidated Balance Sheet as at 31 March 2013, Consolidated Statement of Profit and Loss and Consolidated Cash Flow for the year ended 31 March 2013 respectively. This matter had caused us to qualify our audit report for the year ended 31 March 2012.*
7. *Pending outcome of the on-going tax assessments, the Company has not recognized Minimum Alternative Tax (MAT) credit entitlement as required by the Guidance Note on "Accounting for Credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961", issued by the Institute of Chartered Accountants of*

India. Had the Company accounted for such MAT credit, the profit after tax and the balance in loans and advances for the year ended 31 March 2013 would have been higher by ₹ 623,262,102 (31 March 2012: ₹ 404,902,653). This matter had caused us to qualify our audit report for the year ended 31 March 2012.

Qualified Opinion

8. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on the financial statements of the subsidiaries, as noted below, *except for the effects of the matters described in the Basis for Qualified Opinion paragraph*, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
- i) in the case of the consolidated Balance Sheet, of the state of affairs of the Group as at 31 March 2013;
 - ii) in the case of the consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
 - iii) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Other Matter

9. We did not audit the financial statements of subsidiaries included in the consolidated financial statements, whose financial statements reflect total assets (after eliminating intra-group transactions) of ₹ 1,635,246,215 as at 31 March 2013; total revenues (after eliminating intra-group transactions) of ₹ 1,047,572,397 and net cash outflow aggregating to ₹ 519,176 for the year then ended. These financial statements (other than those mentioned in paragraph 6 above), have been audited by other auditors whose audit reports have been furnished to us by the management, and our audit opinion on the consolidated financial statements of the Group for the year then ended to the extent they relate to the financial statements not audited by us as stated in this paragraph is based solely on the audit reports of the other auditors. Our opinion is not qualified in respect of this matter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of consolidation

The consolidated financial statements of NATCO Pharma Limited ("the Company") together with its subsidiaries (collectively referred as the 'Group' or the 'consolidating entities') are prepared under historical cost convention on accrual basis, in accordance with the generally accepted accounting principles in India ('Indian GAAP') and comply in all material respects with the mandatory Accounting Standards ('AS') prescribed in the Companies (Accounting Standard) Rules, 2006 ('the Rules'), as amended. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate financial statements, except otherwise stated for like transactions in similar circumstances.

Investments in subsidiaries, except where the investments are acquired exclusively with a view to its subsequent disposal in the near future, are accounted in accordance with accounting principles as defined in the Accounting Standard ('AS') 21 'Consolidated Financial Statements', as prescribed under the Rules.

The financial statements of the consolidating entities are added on a line-by-line basis and material inter-company balances and transactions including unrealized gain and loss from such transactions are eliminated upon consolidation. The following subsidiaries have been considered for the purpose preparation of consolidated financial statements:

Names of the consolidating entities	Country of Incorporation	Percentage holding /interest (%)	
		As at 31 March	
		2013	2012
NATCO Pharma Inc.	United States of America	100.00	100.00
K&C Pharmacy, Partnership Firm	United States of America	-	75.00
Time Cap Overseas Limited	Mauritius	73.00	75.00
NATCO Farma Do Brazil (See note below)	Brazil	66.40	67.50
NATCO Organics Limited ("NOL") (effective 30 June 2012)	India	51.00	-
NATCO Pharma (Canada), Inc (effective 7 November 2012)	Canada	90.00	-

Note: Interest in NATCO Farma Do Brazil represent effective holding of the Company.

b. Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debtors and other receivables, provision for inventories, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed assets.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

c. Fixed assets

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprise of purchase price, freight, non-refundable duties, taxes and any other cost attributable to bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready for its intended use. Assets retired from active use and held for disposal are stated at their estimated net realisable values or net book values, whichever is lower.

d. Depreciation

Depreciation is provided on Straight Line Method based on useful lives of the assets as estimated by management which coincides with the rates prescribed under Schedule XIV to the Act except in respect of fixed assets of overseas subsidiaries, which are depreciated over the estimated useful lives, using the Straight Line Method.

Depreciation on sold/discarded fixed assets is provided for up to the date of sale /discarded as the case may be. Individual assets acquired for ₹ 5,000 or less are entirely depreciated in the year of acquisition.

e. Intangible assets

Acquired intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets in the nature of software are amortized over a period of six years.

Goodwill

Goodwill represents the excess of purchase consideration over the net book value of net assets acquired. Goodwill is evaluated periodically for impairment and impairment losses are recognized where applicable.

Product research and development costs

Expenditure incurred on research and development activity is expensed as and when incurred.

f. Impairment of assets

The carrying amounts of assets, both tangible and intangible, are reviewed at each balance sheet date if there is any indication of impairment based on internal and/or external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use.

g. Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

h. Inventories

Raw material, stock-in-trade, packaging material, stores and spare parts are carried at cost. Cost includes purchase price excluding taxes those are subsequently recoverable by the enterprise from the concerned authorities, freight inwards and other expenditure incurred in bringing such inventories to their present location and condition.

Cost of inventories is determined using the weighted average cost method, except in the case of inventories held by NATCO Pharma Inc., the cost is determined using First-in-first out method.

The carrying cost of raw materials, stock-in-trade, packaging materials and stores and spare parts are appropriately written down when there is a decline in replacement cost of such materials and finished products in which they will be incorporated are expected to be sold below cost.

Finished goods and work in progress are valued at the lower of cost and net realizable value. Cost of work in progress and manufactured finished goods is determined on weighted average basis and comprises cost of direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition. Excise duty liability is included in the valuation of closing inventory of finished goods.

i. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue measured and collectability is reasonably assured.

- Revenue from sale of goods is recognized on dispatch or on the date of the bill of lading or airway bill in respect of export sales and in case of pharmacy sale when items are sold, which coincides with transfer of significant risks and rewards to customer and is inclusive of excise duty and net of trade discounts, sales returns and sales tax, where applicable.
- Service income is recognized as per the terms of contracts with customers when the related services are performed, or the agreed milestones are achieved.
- Dividend income is recognized when the right to receive the payment is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate methods taking into account the amount outstanding and the rate applicable.
- Export entitlements are recognized as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.
- Revenue from profit sharing arrangements on sale of products is recognized based on terms and conditions of arrangements with respective customers.
- Revenue from licensing and long term supply arrangements, including facility charges is recognized in the period in which the Company completes all its performance obligations.

j. Taxes

Tax expense comprises of current and deferred tax. The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the entities in the Group.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier periods. Deferred tax

is measured based on the tax rates and the tax laws enacted or subsequently enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

In situations where the Group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

Unrecognized deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain or virtually certain, as the case may be that future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets are reviewed at each balance sheet date.

The Group writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case maybe, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

The break-up of the major components of the deferred tax assets and liabilities as at the balance sheet date have been arrived at after setting off deferred tax assets and liabilities where the group has a legally enforceable right to set-off assets against liabilities, and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternative tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the ICAI, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT

credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

k. Earnings per equity share

Basic earnings per equity share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l. Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported at year-end rates. Non-monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of foreign currency monetary items or on reporting monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous consolidated financial statements, are recognized as income or as expenses in the year in which they arise.

m. Foreign currency translation

Exchange difference relating to non-integral foreign operations is disclosed as 'foreign currency translation reserve account' in the consolidated balance sheet until the disposal of the net

investment. On the disposal of a non-integral foreign operation, the cumulative amount of the exchange difference is recognized as income or expense in the period in which gain or loss on disposal is recognized. In accordance with the accounting principles prescribed under AS11 'The Effects of Changes in Foreign Exchange Rates' as notified by the Rules, the Group has designated all its foreign operations, as 'non-integral foreign operations'.

n. Employee benefits

Defined contribution plan

In respect of the Company and Indian subsidiary, retirement benefits in the form of contribution to provident fund scheme and employee state insurance scheme are charged to statement of profit and loss of the year when the contribution to the respective fund is due. There are no other obligations other than the contribution payable to the respective fund.

In respect of overseas subsidiaries, retirement benefits such as 401(k) plan and others for eligible employees are charged to statement of profit and loss of the year when the contribution to respective fund is due. Contributions by the consolidating entity are discretionary and there are no other obligations other than the contribution payable to the respective fund.

Defined benefit plan

Gratuity is a post-employment defined benefit plan. An independent actuary, using the projected unit credit method calculates the defined benefit obligation annually. Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are credited or charged to the statement of profit and loss in the period in which such gains or losses arises.

Compensated absences

As per the Company policy, eligible leaves can be accumulated by the employees and carried forward to future periods either to be utilized during the service, or encashed. Encashment can be made during service or on resignation, or retirement of the employee. The value of benefits is determined based on an independent actuarial valuation using the projected unit credit method as at the year end. Actuarial gains and losses are recognized immediately in the statement of profit and loss.

o. Government grants

Government grants relating to specific fixed assets are adjusted against the cost of underlying fixed assets and revenue grants are credited to consolidated statement of profit and loss on a systematic basis over the periods necessary to match them with the related costs which they are intended to compensate.

p. Leases

Leases that do not transfer substantially all of the risks and rewards of ownership are classified as operating leases and recorded as expenses as and when payments are made over the lease term.

q. Provisions and contingent liabilities

A provision is recognised when the Group has a present obligation as a result of past event i.e., it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A disclosure of the contingent liability is made when there is a possible or a present obligation that may,

but probably will not, require an outflow of resources.

r. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

s. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with original maturity of less than three months.

t. Segment reporting

The Company's management has identified five business segments viz. bulk chemicals, finished dosage formulations, job works, pharmacy and others. Segments have been identified and reported taking into account the differing risks and returns and the internal business reporting systems. Inter segment sales are generally accounted at fair values and the same have been eliminated in consolidation. The accounting policies of the segments are substantially the same as those described in the 'Summary of significant accounting policies' as above.

** including shares held in the capacity of Karta of HUF of 1,088,009 (31 March 2012:1,088,009)

(d) Employee stock option scheme ("ESOP")

(i) The Company had instituted NATCO Stock Option Plan 2010 ("ESOP 2010") as per the special resolution passed in the annual general meeting of the members held on 30 September 2010. This Scheme has been formulated in accordance with the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ("SEBI ESOP Guidelines") issued by the Securities and Exchange Board of India ("SEBI") and pursuant to the provisions of Section 81 (1A) and other applicable provisions of the Act. Pursuant to such approval, the Board is authorized to issue employee stock options, that are exercisable into not more than 600,000 equity shares of the Company to eligible employees based on specific recommendations of the remuneration committee. Each option comprises of one underlying equity share of ₹ 10 each. 236,551 options were granted during August 2011 at an exercise price of ₹ 10 each.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(All amounts in ₹ unless otherwise stated)

As at 31 March 2013 the stock option outstanding comprises of Nil (31 March 2012: 225,122) equity shares of ₹ 10 each, fully paid-up at an exercise price of ₹ 10 each to eligible employees, subject to vesting over a period of twelve months from the date of the grant. Shares granted under ESOP 2010 are accounted at intrinsic value of ₹ 253.70 per share, being the difference between the market value, calculated in accordance with the valuation methods prescribed by the SEBI and the grant price and accounted as stock option compensation over the vesting period.

- (ii) During the year ended 31 March 2013 the Company has amortized stock compensation expenses amounting to ₹ 57,112,791 including ₹ 36,202,643 (31 March 2012: ₹ Nil) pertaining to prior period.
- (iii) Changes in number of shares representing stock options outstanding as at the year ended on 31 March 2012 were as follows:

	<u>ESOP 2010</u>
Outstanding as at 1 April 2011	-
Granted during the year	236,551
Exercised and vested	-
Forfeited	11,429
Outstanding as at 31 March 2012	225,122
Exercised and vested	225,122
Forfeited	-
Outstanding as at 31 March 2013	<u>-</u>

- (iv) Proforma disclosures:

Earnings per equity share (EPES) calculated using cost computed under the black and scholes model method is higher than the EPES reported after considering the cost computed using the intrinsic value method, hence no proforma disclosures are presented.

- (e) Details of shares issued pursuant to contract without payment being received in cash and brought back during the last 5 years, immediately preceding the balance sheet date:

	As at 31 March, 2013	As at 31 March, 2012
Equity shares of ₹ 10 each allotted as fully paid-up pursuant to contracts without payment being received in cash.*	332,247	211,600
Equity shares bought back by the Company	-	458,465

* The Company has issued these shares on exercise of the options granted under the employee stock option plan (ESOP) wherein part consideration was received in form of employee services.

- (f) In the prior year, NATCO Group Employees Welfare Trust ("Trust") acquired certain equity shares of the Company from the open market for the purposes of further allotment to the employees of the Company. Pursuant to the Circular No. CIR/CFD/DIL/7/2013 dated 13 May 2013 issued by SEBI and as required thereunder, the Trust is in the process of disposing off such shares in compliance with the provisions of the said circular.

Investment in portfolio management services

The Company has made an investment, aggregating to ₹ 15,000,000 in the private equity opportunities fund of Anand Rathi Financial Services Limited (ARFSL). By virtue of shareholders agreement and share subscription agreement, both dated 29 November 2010, ARFSL has invested, the Company's fund in the Compulsorily Convertible Preference Shares of Ravindranath GE Medical Associates Private Limited. The company's investment in the private equity opportunities fund of ARFSL provides for a return of 20% in excess of 16% on a gross pre-tax IRR basis. In the absence of reasonable certainty of realization of return, no income was accrued on such investment for the year ended 31 March 2013.

31. Contingent liabilities and commitments

	As at 31 March, 2013	As at 31 March, 2012
(a) Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)	147,103,904	67,213,981
(b) Contingent liabilities		
Claims against the company not acknowledged as debt	204,227,280	320,068,008
Disputed sales tax liabilities	8,690,000	8,690,000
Disputed income tax liabilities	26,028,878	169,259,702

Claims against the Company not acknowledged as debt, represents claim including interest lodged by SMS Pharmaceuticals Limited, against the Company. During the current year, the Hon'ble City Civil Court, Hyderabad has passed the judgement against the Company. Based on a legal advice received, the Company has preferred an appeal before the Hon'ble High Court of Andhra Pradesh as the management is confident of favorable outcome and has recorded an expense aggregating to ₹ 115,840,728 in the accompanying financial statements.

Disputed tax liabilities primarily represents additional tax demanded by the Tax Authorities, challenging the Company's basis of computing profits of units covered by the provisions of Section 80IC of the Income Tax Act, 1961. Pending final outcome of such matters and in view of the order for Assessment Year 2007-08 and 2008-09 being set aside by appellate authorities, management is confident of favorable outcome of the proceedings.

32. Acquisition of a subsidiary

Effective 30 June 2012, the Company has acquired 51% stake in the share capital of NATCO Organics Limited ("acquired entity"). The acquisition of the interest in the acquired entity is accounted in accordance with the accounting principles laid down under AS 21. Accordingly, the excess of the purchase price over the net assets acquired has been recorded as Goodwill in the Consolidated Financial Statements. Transactions relating to statement of profit and loss of the acquired entity have been included in the Consolidated Statement of Profit and Loss from the effective date of acquisition.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(All amounts in ₹ unless otherwise stated)

- (a) The interest of the Company in the net assets of the acquired entity and resulting goodwill as on the date of acquisition is given as under:

		As at 30 June 2012 (Unaudited)
Purchase consideration	(A)	202,417,700
Company's share in net assets as on the date of acquisition*	(B)	138,165,306
Goodwill	(A-B)	<u>64,252,394</u>

- (b) Summary of post acquisition operating results of the acquired entity included in the Consolidated Statement of Profit and Loss for the year ended 31 March 2013:

Total revenue	(A)	34,006,314
Total expenses, including tax expense	(B)	101,037,805
	(C) = (A-B)	<u>(67,031,491)</u>
Share of loss of minority share holders transferred	(D)	<u>(32,845,431)</u>
	(C-D)	<u>(34,186,060)</u>

- (c) The assets and liabilities of the acquired entity included in the Consolidated Balance Sheet as at 31 March 2013 are:

Liabilities

Minority interest	99,901,622
Non-current liabilities, including deferred tax	1,036,608,329
Current liabilities	29,250,921

Assets

Goodwill	64,252,394
Non-current assets	1,168,597,507
Current assets	101,142,604
	<u>1,333,992,505</u>

Note: In the absence of audited financial statement for the computation of goodwill and disclosure of summary of post acquisition operating results, the same are presented based on management prepared accounts.

33. Disposal of a subsidiary

During the year, the Company has realised an amount aggregating to ₹ 18,848,513 on dissolution of its partnership firm K&C Pharmacy, United States of America ("K&C") effective 14 June 2012. The accompanying Consolidated Statement of Profit and Loss for the year ended 31 March 2013 include no items of Statement of Profit and Loss of K&C for the period 1 April 2012 to 14 June 2012. The effect of such disposal of the subsidiary on the financial position on the reporting date, the results for the reporting period and on the corresponding amounts for the previous year are given below:

	As at 14 June, 2012	As at 31 March, 2012
Liabilities	-	-
Assets		
Current assets	<u>29,203,505</u>	29,203,505
	<u>29,203,505</u>	<u>29,203,505</u>

Note: In the absence of audited financial statement of the K&C Pharmacy, the above disclosure is presented based on management prepared accounts.

34. Segment reporting

The primary and secondary reportable segments are business segments and geographical segments respectively. The Group's principal segments of business are bulk chemicals, finished dosage formulations, job work charges and retail pharmacy. Segment's revenue, expense, assets and liabilities include amount of such items that can be allocated to the segment on a reasonable basis. Revenues, expenses, assets and liabilities which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under 'others'.
